
Media: Media Coverage

News Enquiries

on-IDLE staff regularly contribute comments to topical issues in publications such as Digit, .NET, Practical Web Design and Creative Review. Marc Peter also contributes to a monthly feature 'Site Build Off' in Practical Web Design and has authored 2 books for the German market: Flash 4- and Flash 5 - Interactivity by Design. Please don't hesitate to contact on-IDLE or Elemental Communications if you are interested in feature contributions.
