## Company: Our Markets

Our People  
Our Story  
Associations

on-IDLE is independently owned- and run by its founding directors, providing services and developing products for predominantly these market sectors:

- Education
- Banking
- Travel (Airlines)
- Retail
- Charity
- Media

Customers vary in size from sole traders to large corporations, which are based or have distributors in:

- England
- China
- Germany
- Italy
- Saudi Arabia
- South Africa
- Switzerland
- United Arab Emirates

Whether in English, Chinese, Arabic, German or anything else for that matter - we have the experience and hard-earned know-how to make sure on-screen display and database-driven applications run the way they should. Our in-house language capability includes: English, German, French and Japanese.

On average, 75% of our billings are return-business.
